

## PRICE LIST:

### COLLECTION & DELIVERY, BOARDING & DAYCARE

**Collection & Delivery:** (otherwise known as "C&D" to DKC "insiders" <wink>)

Our Collection & Delivery service is AED 100 one-way and AED 150 for a return trip within a single boarding period to any location within Dubai for any number of your pets. This service operates Sunday-Thursday from mid-morning to mid-afternoon. As you would expect, our vans are air-conditioned and specially fitted so that all pets inside their travel boxes are secure. And yes, we offer this service nationwide too (just ask us for pricing details). Make your booking early.

**Boarding:**

Dog AED 100 per day

Cat AED 80 per day

Birds, Rabbits, Tortoises, Hamsters... and other little cagey beings... AED 60 per day per cage

Frontline: All dogs and cats must receive a dose of Frontline upon arrival at DKC's premises for any boarding period exceeding twelve hours, including those pets which are with us not for boarding per se, but rather for relocation. Charges per dose are AED 70 for dogs and AED 60 for cats. Please see our Terms & Conditions.

Peak-Season Deposits: During our busiest summer and winter peak periods, we need to ask for a deposit of AED 500 per enclosure, per reservation. Our summer peak period is June-September and the winter period is mid-December to mid-January. Please note, importantly, that your reservations during these periods are not firm until the deposit is paid. Let us know if you need any more detail.

**Daycare:** AED 10 per hour, but maximum up to the daily boarding rate

**20% Enclosure-Sharing Discount:**

There is a 20% discount for same-family pets sharing a single enclosure. This discount is applied to the daily boarding rate not of the first pet, but for each additional pet in that enclosure.

For pets who are enclosure-sharing but who are *not* from the same family (if you've asked us to try to arrange this for you), *all* pets sharing an enclosure will benefit from the 20% daily boarding rate discount for those days during which sharing was possible.

And finally, if you have a dog and a cat and would like them to be accommodated together, it might just be possible depending on a number of factors, so just speak with us and read our Terms & Conditions to find out more about this.

**AniMiles:**

If your pet boards with us for an accumulated 60 days or more in a single year, then he or she earns 14 days free boarding. That's it. That's simple.

**Special Discounts:**

If you are an Emirates Group member (Emirates Staff, Emirates Pilot Club, Dhata) we will force you to accept a 15% discount on all boarding fees ~ isn't that just terrible!? (If you have more than one pet, these discounts replace our 20% enclosure-sharing discount). And if you relocate your pet with us, we'll give you a 10% discount on all our service fees (i.e. not including overhead costs). Now that's barking up the right tree!
