

Abu Dhabi - Accompanied Baggage Import ~ Checklist of What We Require

To kick-off we'll need the following:

- Copy of the full vaccination card/certificate and microchip records for each pet (maximum of 2) with all necessary details clearly displayed and all required vaccinations up-to-date.
- RNATT blood test results (if the country of origin is not one of the rabies test exempted countries).
- Completed DKC Import Forms And Fees – Accompanied Baggage Travel Package: [Import Forms & Fees - Accompanied Baggage Travel Package - Abu Dhabi](#)
- Emirates ID and/or passport copy of the primary passenger accompanying your pet(s).
- For airport pick-up and delivery, we'll need your address details and on-arrival contact number.
- Full payment in advance. Please see our document for payment options: [Making Payment to DKC](#).

At least **3-days / 72 hours** prior to arrival, to obtain the Customs Bill of Entry (BoE), we require:

- Copy of your/the primary passenger's airline ticket.
- The weight of your pets(s), including their carriers(s)/travel box(es).

At least **12 hours** before travel, for the MOCCAE Pre-Release procedure, we require:

- A copy of your pet's officially documented internal and external parasite treatments.
- A copy of the government/ministry international health certificate.

If you would like to board your pet with us after arrival in the UAE, we'll also need the following forms completed:

- [Admission Form ...a bit about your PET](#) (one for each pet)
- [Terms & Conditions](#)
