78.75 Dhs if you're like us... just too lazy to drive all that way across town to DKC in Umm Ramool and would rather simply drop off your pet at our clinic in Motor City, then let us take her the rest of the way.

COLLECTION & DELIVERY for HOME-TO-HOME VETERINARY VISITS

262.50 Dhs ~ Need to get your pet vaccinated? Or checked by a vet for any other relatively minor thing? Just don't want to get into that car, lugging around that darling four-legged creature of yours? Or maybe you're just too busy? Well, we can step in here too: we come to your home, collect your pet, take her to any veterinary clinic of your choosing (including our own DKC Veterinary Clinic, of course!), manage the vet visit and bring her right back home to you when it's all done. Easy-peasy!

10% VETERINARY DENTALS DISCOUNT

10% discount on DKC Veterinary Clinic's standard full veterinary dentals if arranged for during your pet's boarding stay with DKC.

Now, the cynical among you will probably think we're just trying to drum up business for our veterinary clinic (who needs a dental cleaning for a pet?!). Well, you'd be right!

And wrong. Try to trust us when we tell you that dogs and cats (and some other pets too) really do need their teeth properly checked and cleaned by a vet, usually once a year. Chronic bad breath, rotting teeth, sore and bleeding gums... and more/worse are on the cards for many of your lil' darlin's if you rely only on pet food (usually dry kibbles) and toys to keep their mouths in shape. So in addition to brazenly manipulating you, we're actually trying to do our little something by promoting preventative dental care.

20% BUDDY-BOARDING DISCOUNT

20% discount for same-family pets sharing a single enclosure... like buddies! This discount is applied to the daily boarding rate not of the first pet, but for each additional pet in that enclosure.

For pets who are Buddy-Boarding but who are *not* from the same family (if you've asked us to try to arrange this for you), *all* pets sharing an enclosure will benefit from the 20% daily boarding rate discount for those days during which Buddy-Boarding was possible. Yippee!

And finally, if you have a dog and a cat and would like them to Buddy-Board too, it might just be possible depending on a number of factors, so just speak with us and read our Terms & Conditions to find out more about this.

ANIMILES

If your pet boards with us for an accumulated 60 days or more in a single year, then he or she earns 14 days free boarding. That's it. That simple.

CORPORATE DISCOUNTS

10% discounts ~ If you're an Emirates Group member or an employee of Al Futtaim, we will *force* you to accept: a 10% discount on our boarding charges (if you have more than one pet, this supersedes our 20% enclosure-sharing discount), and; a 10% discount on our pet relocation service fees (i.e. not including overhead costs). Isn't that just terrible? Well, we think that's barking up the right tree!
