

## Relocating Pets into the UAE ~ Checklist of What We Require

To procure import permits only (including payments), we need:

- ☐ Copy of the full vaccination card/certificate and microchip records for each pet with all necessary details clearly displayed and all required vaccinations up-to-date.
- ☐ RNATT blood test results (if the country of origin is not one of the rabies test exempted countries).
- ☐ Copy of your passport.
- ☐ [DKC Import Forms & Fees](#)
- ☐ Full payment in advance. (Please see our document "[Making Payment to DKC](#)".)

In addition to the above, for Customs clearance and home delivery, we also need the following:

- ☐ Authorization for the Clearance of Live Animals Form  
[Clearance Authorization Form](#)
- ☐ Copy of import permit ~ If DKC do not procure this on your behalf, we will also need your **UAE Pass** login. Without this, we will not be able to clear the pet through Customs.
- ☐ For delivery, we'll need your address details and a local contact number.

Prior to the arrival:

- ☐ Flight details and the air waybill number, at least two working days before arrival.
- ☐ Once it's executed, a copy of the air waybill with the correct consignment details.
- ☐ A copy of the government/ministry international health certificate once it has been issued.
- ☐ A copy of your pet's officially documented internal and external parasite treatments.
- ☐ A copy of your pet's Certificate of Origin (if you are importing anything other than a dog or cat).

If you would like to board your pet with us after arrival in the UAE, we'll also need the following forms completed:

- ☐ [Admission Form ...a bit about your PET](#) (one for each pet)
- ☐ [Terms & Conditions](#)
